INFANTILE PARALYSIS CHAPTER TELLS USE OF FUNDS

The Appomattox County Chapter of the National Foundation for Infantile Paralysis will continue to aid local polio patients needing financial help for care and treatment, as the result of a voluntary "pool" of funds from chapters all over the country, G. B. Buchanan, Chapter Chairman, stated today.

The local chapter is one of 759 whose local treasuries have been exhausted by high polio incidence in 1950, Mr. Buchanan explained, and already has received $4,775 in advances from National Headquarters of the March of Dimes organization.

Basil O'Connor, National Foundation president, recently warned that national funds for aid to chapters that had exhausted local treasuries would be used up by November. He called upon all solvent chapters to send uncommitted funds to the epidemic aid fund by that time.

"The Appomattox County Chapter wishes it were in a position to contribute rather than receive additional funds for patient care," said Mr. Buchanan. "It is wonderful indeed to know that when local resources are gone other units of the National Foundation will come to our aid. Polio patients, wherever they live, have been pledged assistance, and this is a mutual responsibility of all chapters. We hope that, in another year, our local problems will be less serious and we shall be able to do for other localities what is today being done for us."

REVIVAL PLANNED AT PAMPLIN CHURCH

The Elon Baoptist Church, of Pamplin, announces a revival to begin October 15, at 7:30 P. M. The services will continue each evening at 7:30, through Friday, October 20. The visiting minister will be the Rev. J. Marshall Walker, of Liberty Baptist Church, Appomattox.

PROCLAMATION

Whereas, the goal of a number of citizens in this community and state who are physically handicapped because of the after-effects of illnesses, injuries or war wounds, is employment and will permit them to lead normal and useful lives; and

Whereas, since it has been demonstrated by actual employment experience that such men and women, when properly matched to a job, can perform just as efficiently and sometimes more efficiently than the average worker on the same job, they should be afforded equal consideration for employment; and

Whereas, the first week in October in each year has by act of Congress been designated as "National Employ the Physically Handicapped Week" with the objective of creating expanding interest in the employment of those handicapped:

Now, Therefore, I, G. B. Buchanan, Mayor of Appomattox, do hereby proclaim the week of October 1—7, 1950 as "National Employ the Physically Handicapped Week," and do call upon our people to observe the occasion by taking all possible steps to rehabilitate and place in gainful employment those among us in need of such services.

(Signed)
G. B. Buchanan,
Mayor.

RECORD FOR TRAVEL

Virginia highways handled an all-time high volume of traffic during August, the State Highway Department reported this week.

The previous record—established only a month earlier—was topped by motorists who during August traveled some 542,204,000 vehicle miles on the state's 9,000 mile primary system.

This bested the July record by three million miles of travel.

Travel during August, 1950, was 10.35 per cent greater than in August, 1949.

WELL HOUSE REBUILT IN FRONT YARD OF McLEAN HOUSE

The old well house is being rebuilt in the front yard of the restored McLean House at Old Appomattox Court House. The latticed structure is 9 by 10 feet and duplicates the original well house. The old well itself will not be returned to use. It was 34 feet deep, and the National Park Service workmen cleaned it out several years ago, brought up a number of bricks, bits of pottery, etc., and then decided that the crumbling walls made it wise to fill it in.

The restoration of the well house will make possible completion of landscaping of the front yard. The old brick walkway from the front porch to the road will be the next item up for restoration.

Green Sox Win 2 From Brookneal

The third game of the final playoffs of the Skyline League will be played in Appomattox on Saturday night at 8 o'clock, with the Appomattox Green Sox meeting Brookneal. A win for Appomattox will put an end to the season, as the Skyline club of manager John Caldwell took two straight last week-end from Brookneal and only one more victory to capture the best three-of-out-five play-off is needed.

Saturday night the score was 14 to 13 in a game at Lee Park here. Appomattox came up with 4 runs in the ninth inning to take the game.
